## About CAV

The 33rd International Conference on Computer Aided Verification (CAV 2024) will be held virtually from July 20-23, 2024. CAV is a leading international conference on the theory and practice of computer-aided verification, and brings together researchers, practitioners, and tool builders from academia and industry.

CAV 2024 will feature a technical program with invited talks, contributed papers, tutorials, and workshops, as well as social events and networking opportunities. The conference will cover a wide range of topics in computer-aided verification, including:

- Model checking
- Theorem proving
- Static analysis
- Runtime verification
- Hybrid systems
- Cyber-physical systems
- Security

## **Call for Papers**

The CAV 2024 Program Committee invites submissions of original research papers on all aspects of computer-aided verification. Papers should be submitted electronically in PDF format via the EasyChair submission system. The submission deadline is March 10, 2024.

## **Important Dates**

- March 10, 2024: Paper submission deadline
- May 15, 2024: Notification of acceptance
- June 5, 2024: Camera-ready deadline
- July 20-23, 2024: Conference dates

## **Registration**

Registration for CAV 2024 will open in May 2024. The registration fee will include access to all conference sessions, tutorials, workshops, and social events.

## Venue

CAV 2024 will be held virtually. Attendees will be able to participate in the conference from anywhere in the world.
