* Part 1: Foundations of Business Ethics * Part 2: Ethical Issues in the Workplace * Part 3: Ethical Issues in the Marketplace * Part 4: Ethical Issues in the Global Economy

Each part of the book covers a different aspect of business ethics, and it provides a detailed discussion of the ethical issues that businesses face in each area.

Part 1: Foundations of Business Ethics

The first part of the book provides a foundation for understanding business ethics. It discusses the different ethical theories that can be used to guide business decisions, and it examines the different stakeholders that are affected by business decisions. The book also discusses the role of government in regulating business behavior and the role of business leaders in promoting ethical behavior.

Part 2: Ethical Issues in the Workplace

The second part of the book examines the different ethical issues that businesses face in the workplace. It discusses issues such as discrimination, harassment, and whistle blowing. The book also discusses the ethical issues that arise in the employer-employee relationship, and it provides guidance on how to resolve these issues in an ethical manner.

Part 3: Ethical Issues in the Marketplace

The third part of the book examines the different ethical issues that businesses face in the marketplace. It discusses issues such as advertising, pricing, and product safety. The book also discusses the ethical issues that arise in the relationship between businesses and consumers, and it provides guidance on how to resolve these issues in an ethical manner.

Part 4: Ethical Issues in the Global Economy

The fourth part of the book examines the different ethical issues that businesses face in the global economy. It discusses issues such as child labor, environmental protection, and human rights. The book also discusses the ethical issues that arise in the relationship between

businesses and governments, and it provides guidance on how to resolve these issues in an ethical manner.

Business Ethics 801 Non Fiction Hicham And Mohamed Ibnalkadi is a comprehensive textbook that provides a thorough overview of the field of business ethics. The book is well-written and engaging, and it provides a wealth of information on the ethical issues that businesses face. The book is a valuable resource for anyone who wants to learn more about business ethics, and it is a must-read for anyone who wants to be a successful business leader.
