## Badminton Terms

- **Ace:** A serve that is not returned by the opponent. - **Baseline:** The line at the back of the court. - **Clear:** A shot that is hit high and deep into the opponent's court. - **Drop shot:** A shot that is hit softly and lands just over the net. - **Fault:** A mistake that results in a point being awarded to the opponent. - **Game:** A match is won by the first player or pair to score 21

points. - **Let:** A point that is replayed due to a fault by both players. - **Match:** A series of games. - **Net:** The net that divides the court. - **Out:** A shot that lands outside of the court. - **Rally:** A series of shots that are hit back and forth between the players. - **Serve:** The first shot in a rally. - **Shuttlecock:** The small, feathered ball that is hit with a badminton racket.

## **Badminton Rules**

- The game is played on a rectangular court that is divided by a net. - Each player or pair of players takes turns serving. - The server must hit the shuttlecock over the net and into the opponent's court. - The opponent must then hit the shuttlecock back over the net. - The rally continues until one player or pair of players fails to return the shuttlecock. - The player or pair of players who fails to return the shuttlecock loses the point. - The first player or pair of players to score 21 points wins the game. - A match is won by the first player or pair of players to win two games.

## **Badminton Guidelines**

- Badminton is a social sport that can be enjoyed by people of all ages and abilities. - It is important to wear appropriate clothing and footwear when playing badminton. - It is also important to warm up before playing badminton. - Badminton can be played indoors or outdoors. - If you are new to badminton, it is a good idea to take lessons from a qualified coach.

## **How To Play Badminton**

- To play badminton, you will need a badminton racket, a shuttlecock, and a net. - Start by standing on one side of the net, facing your opponent. - Hold the racket in your dominant hand and the shuttlecock in your other hand. - Serve the shuttlecock over the net and into your opponent's court. - Your

opponent will then hit the shuttlecock back over the net. - Continue hitting the shuttlecock back and forth until one player or pair of players fails to return the shuttlecock. - The player or pair of players who fails to return the shuttlecock loses the point.

## Objectives Of Badminton

- The objectives of badminton are to: - Hit the shuttlecock over the net and into the opponent's court. - Keep the shuttlecock in play for as long as possible. - Score points by forcing the opponent to make a mistake. - Win the game or match.

Badminton is a fun and exciting sport that can be enjoyed by people of all ages and abilities. It is a great way to get exercise, have fun, and socialize with friends and family. If you are interested in learning how to play badminton, there are many resources available to help you get started.
