Praxis II Earth Science Exam Information

The Praxis II Earth Science exam is a computer-based test that is administered by the Educational Testing Service (ETS). The exam is designed to assess your knowledge of Earth science and your ability to teach Earth science at the secondary level.

The exam is divided into three sections:

- Content Knowledge and Application (56%)
- Inquiry and Scientific Literacy (22%)
- Instruction and Assessment (22%)

The Content Knowledge and Application section covers the following topics:

- Earth's systems and processes
- Earth's history and evolution
- Earth's materials and resources
- Earth's climate and atmosphere
- Earth's oceans and hydrosphere
- Earth's biosphere
- Science and the environment

The Inquiry and Scientific Literacy section covers the following topics:

- Scientific inquiry
- Scientific literacy
- Nature of science
- History and philosophy of science
- Science and society

The Instruction and Assessment section covers the following topics:

- Instructional strategies for Earth science
- Assessment of student learning in Earth science
- Curriculum development in Earth science
- Professional development for Earth science teachers

The Praxis II Earth Science exam is a challenging exam, but it is possible to pass it if you prepare properly. Our flash cards are a valuable tool that will help you prepare for the exam and ace it.

How to Use Our Flash Cards

To use our flash cards, simply print them out and cut them apart. Then, start studying!

Here are a few tips for using flash cards:

- Start by studying the cards one at a time.

- Read the question on one side of the card and try to answer it in your head.
- Then, flip the card over and check your answer.
- If you answered the question correctly, move on to the next card.
- If you answered the question incorrectly, go back and review the material on that topic.

You can also use flash cards to study with a friend or in a group.

- One person can read the question on one side of the card.
- The other person can try to answer the question.
- Then, the first person can flip the card over and check the answer.

Using flash cards is a great way to prepare for the Praxis II Earth Science exam. So download our flash cards today and start studying!
