Overview of the Book

The Gruber Complete SAT Guide 2024 is a 700-page book that is divided into three parts. Part 1 covers the Reading and Writing and Language sections of the SAT, while Part 2 covers the Math section. Part 3 of the book provides a full-length practice test, as well as answer explanations for all of the questions.

The first part of the book begins with a general overview of the SAT, including the different types of questions that are asked and the scoring

system. The book then provides a detailed review of each of the Reading and Writing and Language sections, including tips and strategies for answering each type of question.

The second part of the book follows the same format, providing a detailed review of the Math section of the SAT. The book covers all of the different types of math questions that are asked on the SAT, including algebra, geometry, and trigonometry.

The third part of the book provides a full-length practice test, as well as answer explanations for all of the questions. This practice test is a great way to assess your readiness for the SAT and to identify areas where you need additional practice.
