

The Premed Playbook: A Comprehensive Guide to the Medical School Interview

The medical school interview is an important part of the admissions process. It is an opportunity for you to show the admissions committee who you are and why you are passionate about medicine. It is also an opportunity for you to learn more about the school and its programs.

Preparing for the medical school interview can be daunting, but it is important to remember that you are not alone. There are many resources available to help you prepare, including books, websites, and mentors.

The Premed Playbook Guide to the Medical School Interview: Be Prepared, Perform Well, Get Accepted
