## Our Mission

Unstrange Minds' mission is to create a world where people with autism are accepted, celebrated, and supported. We believe that autism is not a disorder, but rather a different way of thinking and experiencing the world. We are working to create a world where people with autism can reach their full potential and live happy, fulfilling lives.

## Our Programs

Unstrange Minds offers a variety of programs to support people with autism and their families. These programs include:

- **Early intervention services:** Unstrange Minds provides early intervention services to help children with autism reach their full potential. These services include speech therapy, occupational therapy, and physical therapy.
- **School support services:** Unstrange Minds provides school support services to help students with autism succeed in school. These services include academic support, social skills training, and behavior support.
- **Adult services:** Unstrange Minds provides adult services to help adults with autism live independent and fulfilling lives. These services include job training, housing support, and social skills training.
- **Family support services:** Unstrange Minds provides family support services to help families of people with autism. These services include support groups, respite care, and educational resources.

## **Our Impact**

Unstrange Minds has made a significant impact on the lives of people with autism and their families. The organization's early intervention services have helped children with autism reach their full potential. The organization's school support services have helped students with autism succeed in school. The organization's adult services have helped adults with autism live independent and fulfilling lives. And the organization's family support services have helped families of people with autism cope with the challenges of raising a child with autism.

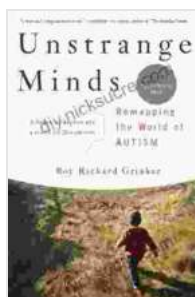

## How You Can Help

There are many ways you can help Unstrange Minds continue its work. You can:

- **Donate:** Your donation will help Unstrange Minds continue to provide essential services to people with autism and their families.
- **Volunteer:** Your time and energy can make a difference in the lives of people with autism. Unstrange Minds has a variety of volunteer opportunities available.
- **Spread the word:** Help Unstrange Minds reach more people by spreading the word about our organization. You can share our social media posts, write a blog post about our work, or talk to your friends and family about Unstrange Minds.

**Together, we can create a world where people with autism are accepted, celebrated, and supported!**
